

## CERTIFICATE No. CW-12/13

Certifying compliance of product:

### Manhole top class D400 from spheroidal graphite cast iron

with requirements of:

#### PN-EN 124:2000

Gully tops and manhole tops for vehicular and pedestrian areas -  
Design requirements, type testing, marking, quality control

Producer of product:

#### BENITO URBAN, S.L.U.

Via Ausetània 11, 08560 Manlleu (Barcelona), Spain

Certificate Holder:

#### BENITO URBAN, S.L.U.

Via Ausetània 11, 08560 Manlleu (Barcelona), Spain

Certificate has been issued on the basis of the results of:

- audit of the technical and organizational production conditions (report of audit no. 6/2013),
- product testing performed in the Complex of Research Laboratories at the Foundry Research Institute (reports no.: 69/TBS/2013, 74/TBS/2013, 279/TBS/2013).

The Certification and Standardisation Office:

- has performed the evaluation of conformity according to **system 5** following the PKN-ISO/IEC Guide 67:2007 (Certification Program PC/01),
- and performs the surveillance of the Certificate Holder in accordance with Contract No. U/86/2013.

Date of certification: **29 April 2013**

Validity date: **28 April 2016**

The right to use this certificate applies only to products of the properties identical with the properties of a representative sample submitted for testing in accordance with the requirements of the above cited reference document.

The detailed scope of the certification is specified in an attachment to this certificate.
